

Editorial Policy

Editorial Manager in consultation with the Assistant Editorial Managers prepares a list of erudite referees and experts to review the articles and research papers submitted to the department for publication in the journal. The experts review the pieces of research and criticism and only after their recommendation and endorsement the same are included and published in the journal.

Ethical Policy

It has been the policy of the Editorial Management throughout that only those papers and research articles are included in the journal that have research and critical value and contribute to the Kashmiri Language and literature in one way or the other. There is no scope of the papers and research articles that do not bring to light new and lesser known facets of Kashmiri literature and if any article bears any resemblance with some already written is not included in the journal.
